

Outreach Services

We offer **FREE, money-saving services for anyone in Minnesota**

Webinars

CUB staff will provide customized educational webinars to address specific areas of interest.

Popular topics

- Understanding your utility bill
- Energy efficiency
- Energy policy
- Renewable energy
- Electric vehicles
- Income-based programs
- Rebate offerings

Other complimentary services

- Joint public service announcements (PSAs) to communicate information or multiple topics.
- Panel with Q&A session

Virtual Energy Bill Consultations

Participants will email their utility bills ahead of time to a CUB staff member and receive custom strategies to reduce energy use, save money, and find eligible programs and rebates. A 30-minute consultation helps the average household save \$150. Households who have higher-than-average bills can save much more.

To discuss partnership opportunities:

Carmen Carruthers, Outreach Director: 651-300-4701 ext. 2 or carmenc@cubminnesota.org
